Have you been hurt on the job?

If you are a **Federal Employee** or a **Contractor** and have sustained a work-related injury or illness, use ECOMP to report the incident to your supervisor.

If you are a **Federal Employee** you may also file a claim for benefits under the Federal Employees' Compensation Act (FECA). Depending upon your agency, start by filing OSHA's **Form 301**, then file a claim using either form **CA-1 (for traumatic injury)** or form **CA-2 (for occupational disease)**. After you have received an official FECA case number, you may also file form **CA-7 (Claim for Compensation)**.

Electronic Filing Regulatory Requirement

20 C.F.R. § 10.100, *et. seq.* has been revised with a provision that requires agencies to provide for electronic submission of key claim forms (CA-1, CA-2, CA-7). Agencies should create or adopt a method to submit such forms electronically by December 31, 2012.

Electronic Filing Regulatory Requirement

To date, the following agencies have begun to offer electronic filing of claim forms to their injured workers using their existing EDI platforms:

- Department of Defense
- Department of Justice
- Social Security Administration
- Department of Veterans Affairs
- General Services Administration
- Tennessee Valley Authority
- National Gallery of Art
- Federal Emergency Management Agency
- Department of Treasury
- Smithsonian Institution
- Department of Transportation
- Department of Labor
- Customs and Border Patrol
- Transportation Security Agency
- National Capitol Police
- Architect of the Capitol

Agencies Enrolling in ECOMP

We have had dozens of requests for the ECOMP Memorandum of Understanding from Federal agencies. We have 14 agencies who have signed an MOU with OWCP to utilize ECOMP:

- Department of Justice (**live** in ECOMP)
- Department of Agriculture (**live** in ECOMP)
- Department of Labor (**live** in ECOMP)
- National Credit Union Association (**live** in ECOMP)
- Board of Governors – Federal Reserve (**live** in ECOMP)
- Dept. of Housing and Urban Development (in setup process)
- Health and Human Services (in setup process)
- Environmental Protection Agency (in setup process)
- National Aeronautics and Space Admin. (in setup process)
- National Archives and Records Admin. (in setup process)
- International Boundary and Water Comm. (in setup process)
- Armed Forces Retirement Homes
- Federal Deposit Insurance Corporation
- Department of Energy

Agency Compliance Assistance

While many agencies are currently filing electronically or have completed an MOU with DOL to use ECOMP, there are still some agencies who may not be aware of the 12/31/2012 regulatory deadline for electronic filing. OWCP will conduct outreach to help agencies meet this deadline to include:

- Sending a letter to the Chief Human Capital Officer (CHCO) Council this winter to notify them of the impending deadline
- Reaching out individually to agencies who have not begun to offer electronic filing by the deadline and offer ECOMP enrollment assistance – all agencies will be contacted by the end of the first half of calendar year 2013
- Reporting, on our public webpage, which agencies offer electronic filing in compliance with the regulations in January 2013

ECOMP Overview

The Employees' Compensation Operations Management Portal (ECOMP) was developed by OWCP to help agencies comply with the new regulations.

- ECOMP is a web-based application through which federal workers and their employers may electronically file OSHA 301s, CA-1s, CA-2s, CA-7s and CA-6s.
- ECOMP Users can track the exact status of any form or document submitted via ECOMP (e.g., Pending Supervisor Approval, with Agency Reviewer, Received by OWCP, etc.) and can electronically upload and submit documents to DFEC's case files.
- Through ECOMP, agencies also have access to real-time POWER, OSHA, and injury trend reporting.
- Enrolled Agencies will have access to iFECs case images through their desktop.

Agency Reviewer Imaging (ARi)

- Agency Reviewer Imaging (ARi) is a component of ECOMP.
- Registered agencies filing forms in ECOMP will be able to assign Agency Reviewers to access OWCP's imaged workers compensation files.

The screenshot shows the ECOMP Agency Reviewer Dashboard. The sidebar on the left has 'iFECs Cases' highlighted with a red circle. The main content area is titled 'ECOMP Forms & Claims' and includes a filter for 'PEACE CORPS'. Below the filter are checkboxes for 'All Forms', 'OSHA-301', 'CA-1 & 2', 'CA-7', and 'CA-6'. A search bar and a 'Show last 30 days' dropdown are also present. A table in the top right corner shows the following data:

CA-1&2	CA-7	OSHA 301	Status
1	0	0	Pending review by Supe...
1	0	0	Pending review by FEC...
1	0	0	Case created by DFEC

Below the table are tabs for 'Awaiting My Review-1', 'All Forms-3', 'Filed by Me-0', 'Supervisor-1', 'No Lost Time-0', 'Done-1', and 'Rejected-0'. A table below the tabs shows the following data:
